Welcome to the next evolution of commercial outdoor furniture!

MyTCoat
Advantage!

Top Quality

For the high-end customers that don't want to pay the high-end price. MyTCoat's Advantage Coating is our proprietary coating unique only to MyTCoat. This state-of-the-art coating will not chip, crack or peel. It doesn't have any drips or runs, and it's the most durable coating on the market. The Advantage coating comes with a 7 year Warranty and is available in 13 Different Colors.

- Proprietary Coating
- Won't Chip, Crack, or Peel
- **7 year Warranty**
- 13 Available Colors

MyTCoat
Industry Standard

Best Price

When price is the main factor that will drive you sale, then look to the Industry Standard line. The only product difference between the Advantage Line and the Industry Standard Line is the coating. The Industry Standard line is coated with a Premium Polyethylene Coating that is similar to some of the other brands out there, but much higher quality. 5 year warranty. 9 colors available on tops and seats, and black is available for the frames.

- Premium Polyethylene Coating
- **Best Price in the Industry**
- 5 year Warranty
- 9 Available Colors

| Heat Resistance | High | High | High | High | High | High |
| Coating/Metal Bonding | Superior | High | Medium | Medium | Medium | Medium |

* Plastisol

- First Coating Used in This Application
- Thicker Softer Coating
- Drips and Runs that have to be removed along edges. Remain underneath
- Pours Duller Coating
- Doesn't Bond as well to Metal
- Plastiser that can potentially leach out of coating

* Polyethylene

- Thinner Coating, but More Durable
- No Drips and Runs
- Tends to Scratch and Mar easily.
- Higher Gloss Shine (some competitors use a Matte which had a Dull Finish)
- Bonds Better to metal, but can still be cut away
- No Plastiser chemicals

* MytCoat Advantage

- Most Durable Coating on the Market
- No Drips or Runs
- Superior Bonding to Metal
- Super Resistance to Scratches, Mars, Mold, Mildew, Graffiti, Impact, Cutting, and Heat.
- No Plastiser chemicals.
