Tables

Tables

Icons represent the type of tops available for a specific table base. Top model #/U indicates umbrella hole is available.

ACRYLIC AND GLASS

Our thick, resilient ACRYLIC table tops feature an attractive "hammered" textured pattern and are available on many TROPTIONE® tables. They are weather and shatter resistant, making them as tough as they are stylish. When ease of maintenance, durability and safety are of concern, Acrylic tops are the ideal solution.

ALUMINUM

Enjoy the artistry and elegance of aluminum table tops without the expense. BOULEVARD and LA'STRATTA PATTERNED ALUMINUM table tops complement our furniture collections. These aluminum outdoor table tops are the ideal table surface where cost-effective durability is required.
